

*Honesty
& Dedication*
are our **principles**

When the finishing touch calls for a truly special design, we provide full-service made-to-order services for any product, from finials to rods to tiebacks in all sizes, shapes, finishes and materials.

Whether you have a custom blueprint design that's ready for production or a rough pencil sketch, our expert, friendly staff is equipped with solid technical knowledge and creative inspiration to help guide you from start to finish.

Your creative goals will be met, your item ready on time, and most importantly, your clients will be impressed with the look and feel of their enhanced surroundings.
